

A reflektort ragaszd a vonat tetejére!

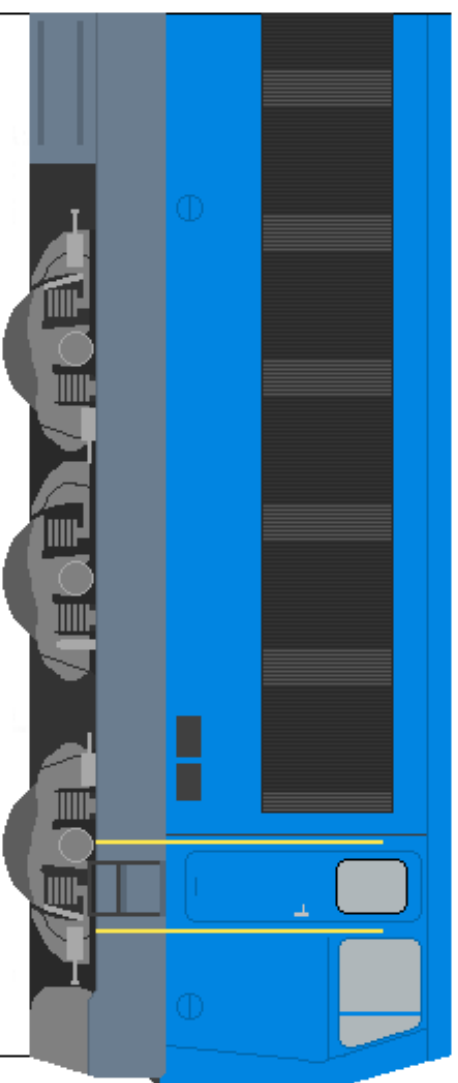

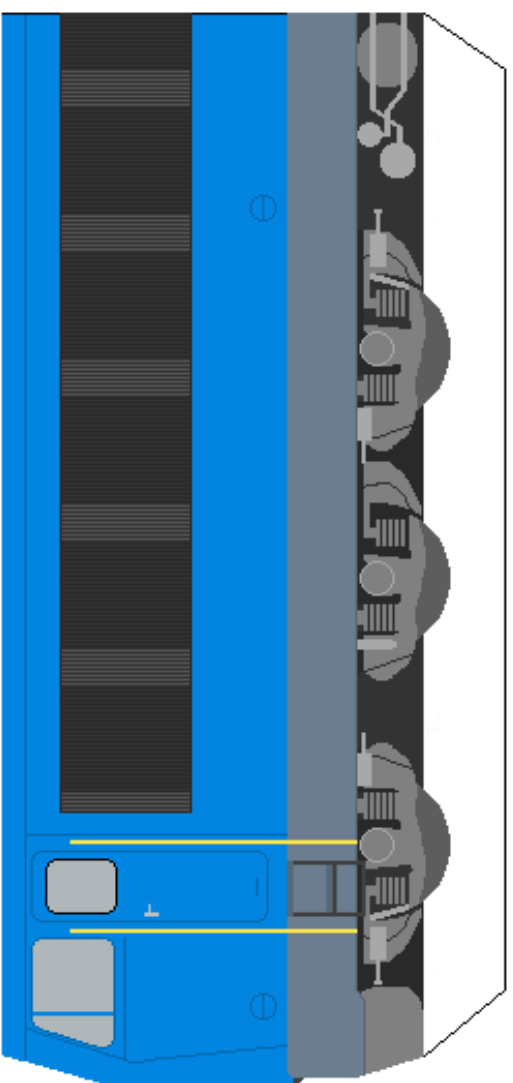

A szedőket vágd ki, és ragaszd egymással szembe őket, így stabilabb lesz, és ragaszd fel a kívánt állásban!

A tükröket ragaszd a helyükre!

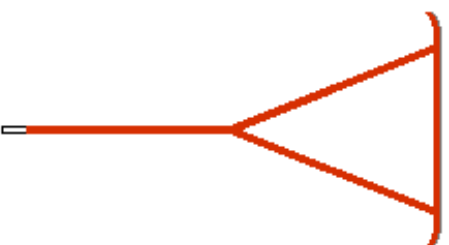

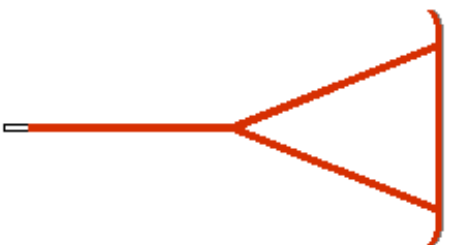

Az ütközőket, ragaszd a vonat elején levő körrel!

A reflektort ragaszd a vonat tetejére!

A szedőket vágd ki, és ragaszd egymással szembe őket, így stabilabb lesz, és ragaszd fel a kívánt állásban!

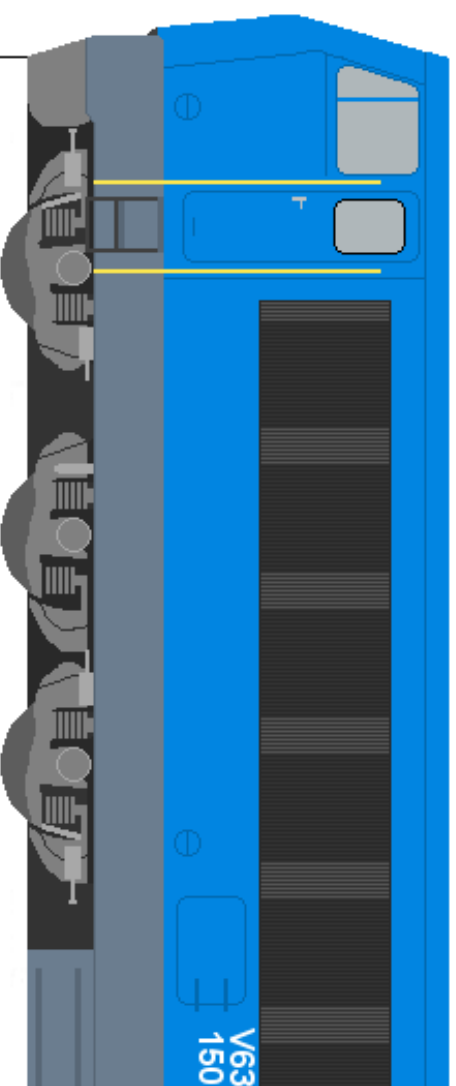

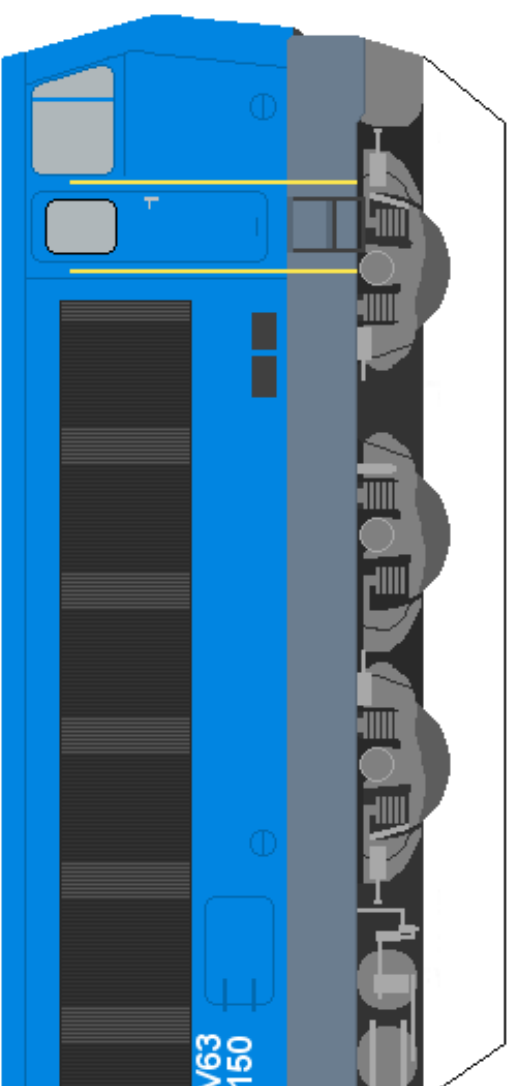

A tükröket ragaszd a helyükre!

Ebből kör alakot csinálj!

Az útközlőket, ragaszd a vonat elején levő körre!
